DEFINITION OF SOUTH-EAST QUEENSLAND AND REGIONAL:

'South-East Queensland' area means those Zones located either wholly or predominately within the local government area boundaries of the Noosa Shire, Somerset Regional, Sunshine Coast Regional, Moreton Bay Regional, Lockyer Regional, Ipswich City, Brisbane City, Redland City, Logan City, Gold Coast City and Scenic Rim Regional areas, as published by the State of Queensland from time to time.

All category criteria operate on a point system that, when added together, gives a total score of 100 points for that category. All written submissions are read and scored separately by a minimum of two judges per category with the final score being the total of these two scores.

Judges are selected for their expertise in the area in which they are reviewing and they hold senior positions in organisations both inside and outside the real estate industry. All judges are required to sign a Confidentiality Agreement that ensures they do not divulge any information from the Award submissions.

A Chair of Judges is appointed from within the real estate industry to oversee the judging of all entries.
